- (1) **CIBERNET CORP.** as security provider (the **Security Provider**); and
- (2) **SOCIÉTÉ GÉNÉRALE** as security agent for the Secured Creditors party to the Priority Agreement described below (in this capacity the **Security Agent**).

BACKGROUND:

- (a) Pursuant to a Senior Credit Agreement dated on or about May 3, 2007, between (i) WP Roaming III S.à r.l., (ii) the Original Borrowers (as defined in the Senior Credit Agreement), (iii) the Original Guarantors (as defined in the Senior Credit Agreement), (iv) Société Générale and UBS Limited as Mandated Lead Arrangers, (v) the Original Lenders (as defined in the Senior Credit Agreement) and (vi) Société Générale as the Facility Agent and the Security Agent, as amended and supplemented by a supplemental agreement on or about June 21, 2007 (the "**Senior Credit Agreement**"), the parties thereto have agreed, on the terms and conditions set out therein, to make available certain facilities totaling an amount of EUR 510,200,000 as specified and for the purposes set out in the Senior Credit Agreement;
- (b) As a condition subsequent to the Secured Creditors entering into the Senior Credit Agreement and the other Secured Debt Finance Documents, subject to the Agreed Principles (as set forth herein), the Security Provider has agreed that its obligations under the Senior Credit Agreement shall be secured by, inter alia, a first priority security interest over the Security Provider's assets in favor of the Security Agent on its own behalf and as security agent for each of the Secured Creditors as such term is defined in the Priority Agreement (as defined below).

IT IS AGREED as follows:

1. INTERPRETATION

1.1 Definitions

In this Agreement:

Agreed Principles means the principles governing the Security Provider's obligations as set forth in Clause 23.31 of the Senior Credit Agreement, Schedule 10 to the Senior Credit Agreement and Clause 19.14(b) of the Senior Credit Agreement.

Assignment Acknowledgement means an acknowledgement from a counterparty to the Security Agent and the Security Provider substantially in the form of Exhibit 2 (Form of Assignment Acknowledgement).

Bailee Notice means a notice from the Security Provider to a Bailee substantially in the form of Exhibit 3 (Form of Bailee Notice).

The term **Collateral** means all personal property, wherever located, in which the Security Provider now has or later acquires any right, title or interest, including all:

- (a) accounts;
- (b) chattel paper (including tangible chattel paper and electronic chattel paper);
- (c) goods (including equipment, inventory and fixtures);
- (d) instruments (including promissory notes);
- (e) investment property;
- (f) documents;

- (j) the commercial tort claims described in Schedule 1 (Commercial Tort Claims);
- (k) other assets (including inventions, discoveries, trade secrets, intellectual property rights, patents, trademarks, trade names, service marks and copyrights, registrations of and applications relating to any of the foregoing, and all associated goodwill),

and to the extent not listed above as original Collateral, proceeds and products of, and accessions to, each of the above assets. The term **Collateral** excludes (a) any property, right or interest in which a security interest may not be granted under applicable law or under enforceable contractual restrictions binding on the Security Provider or its assets or, in the case of any contract, lease, instrument or license or other document, giving the counterparty thereto the right to terminate its obligations thereunder, to the extent that such prohibition is not ineffective under the UCC, provided that, immediately upon the ineffectiveness, lapse or termination of any such contractual restriction or such provision of any contract, lease, instrument or license or other document, the Collateral shall include all such property, rights and interests as if such contractual restriction or provision had never been in effect; and (b) the issued and outstanding equity interests of any Foreign Subsidiary exceeding 66% of the voting power of all classes of the equity interests in such Foreign Subsidiary. A list and description of all contractual restrictions that purport to restrict the granting of a security in specific collateral or categories of collateral will be provided on request of the Security Agent by the Security Provider.

Control Agreement means an agreement, in form and substance reasonably satisfactory to the Security Agent, between the Security Agent, the Security Provider and any other person the Security Agent may reasonably require, with the provisions necessary to establish the Security Agent's control of any:

- (a) deposit account;
- (b) investment property;
- (c) letter-of-credit rights; or
- (d) electronic chattel paper

to the extent such property constitutes Collateral and such a control agreement would be legally required to perfect a security interest in such Collateral.

Event of Default means an Event of Default (as defined in the Senior Credit Agreement):

- (a) arising out of an event described in Clause 24.20 (Acceleration) of the Senior Credit Agreement; or
- (b) in respect of which any notice has been served by the Facility Agent in accordance with clause 24.20(b)(ii), (b)(iii)(A) or (b)(iv) (Acceleration) of the Senior Credit Agreement or in respect of which the Facility Agent is first making demand with respect to all or part of any amounts outstanding under the Senior Finance Documents having first exercised its rights under clause 4.20(b)(iii)(B) (Acceleration) of the Senior Credit Agreement.

Foreign Subsidiary means any Subsidiary organized under the laws of a jurisdiction other than the United States of America or any State thereof and for the avoidance of doubt any Person that is a controlled foreign corporation for US Federal income tax purposes.

Lien means any security interest, lien, mortgage, pledge, encumbrance, charge, assignment, hypothecation, adverse claim, claim, or restriction on assignment, transfer or pledge or any other arrangement having the effect of conferring security.

- (a) certificated securities;
- (b) instruments, other than instruments received by the Security Provider in the ordinary course of business and with an aggregate face amount not exceeding USD 100,000;
- (c) tangible chattel paper, including tangible chattel paper that has been legended in compliance with Clause 3.6 (Perfection - special steps for chattel paper); and
- (d) negotiable documents, other than negotiable documents received by the Security Provider in the ordinary course of business and relating to underlying goods with an aggregate value not exceeding USD 100,000.

Priority Agreement means the priority agreement dated on or about May 3, 2007 between, among others, the parties to the Senior Credit Agreement, the Hedging Banks (as defined therein), the Investors (as defined therein) and the Security Agent.

- (a) the state of the Security Provider's incorporation;

- (b) the state where the Security Provider has its chief executive office or sole place of business; and
- (c) any state in which Collateral consisting of goods is located.

Secured Liabilities means all present and future obligations and liabilities (whether actual or contingent and whether owned jointly or severally or in any other capacity whatsoever) of the Security Provider to any Secured Creditor under any Secured Debt Finance Document, except for any obligations or liabilities which, if it were included would result in this Agreement contravening any laws.

Security means any security interest created by this Agreement.

Security Period means the period beginning on the date of this Agreement and ending on the Senior Discharge Date.

The Security Period will be extended to take into account any extension or reinstatement of this Agreement under Clause 2.2(b) (General). Furthermore, if the Security Agent considers that an amount paid to it or a Secured Creditor under a Secured Debt Finance Document is capable of being avoided or otherwise set aside on the bankruptcy, liquidation, insolvency or administration of the payer or otherwise then that amount will not be considered to have been irrevocably paid for the purposes of this Agreement.

Subject to the Agreed Principles, as security for the prompt and complete payment and performance of the Secured Liabilities when due (whether due because of stated maturity, acceleration, mandatory prepayment, or otherwise) and as contemplated by Part II of Schedule 2 of the Senior Credit Agreement to induce the Secured Creditors to enter into the Secured Debt Finance Documents and (in the case of the Lenders party to the Credit Agreements) make the Loans, the Security Provider grants to the Security Agent for the benefit of the Secured Creditors a continuing security interest in the Collateral.

- (c) This Agreement is enforceable against the Security Provider to the maximum extent permitted by the fraudulent transfer laws.

3. PERFECTION AND FURTHER ASSURANCES

3.1 General perfection

Subject to the Agreed Principles, the Security Provider must take, at its own expense, promptly, and in any event within any applicable time limit:

- (a) whatever action is necessary or reasonably requested; and
- (b) any action which the Security Agent or any other Secured Creditor may reasonably require,

to ensure that this Security is from the date thereof, and will continue to be until the end of the Security Period, a validly created, attached, enforceable and perfected first priority continuing security interest in the Collateral, in all relevant jurisdictions, securing payment and performance of the Secured Liabilities.

 - (i) financing statements describing the Collateral;
 - (ii) continuation statements; and

3.3 Control

- (a) Subject to the Agreed Principles, the Security Provider and each other necessary party shall use commercially reasonable efforts to enter into an appropriate Control Agreement with the Security Agent and take all other actions necessary for the Security Agent to have control of any Collateral consisting of the following to the extent necessary to perfect the Security Agent's interest in such Collateral:

- (i) deposit accounts;
- (ii) investment property;
- (iii) letter-of-credit rights; and

- (b) If, after the date of this Agreement, the Security Provider acquires Collateral consisting of any of the Collateral listed in paragraph (a) above, and the new Collateral is not covered by an existing Control Agreement, the Security Provider must enter into a Control Agreement in respect of that new Collateral and take all other actions necessary for the Security Agent to have control of the new Collateral.

3.4 Delivery of Possessory Collateral

- (a) The Security Provider has delivered to the Security Agent (or as directed by the Security Agent) the originals of all Possessory Collateral existing on the date of this Agreement.
- (b) Subject to the Agreed Principles, the Security Provider must deliver to the Security Agent (or as directed by the Security Agent), immediately upon receipt, originals of any other Possessory Collateral arising or acquired by the Security Provider after the date of this Agreement.

3.5 Notice of security interest

- (a) The Security Provider authorizes the Security Agent, upon the occurrence and continuation of an Event of Default, in the Security Provider's name, to execute and deliver an Assignment Notice to each account debtor and contract party in respect of each existing contract and account, and agrees to execute and deliver such Assignment Notice to each account debtor and contract party in respect of each existing contract and account, if so requested by the Security Agent. The Security Provider agrees to send the Security Agent, upon the occurrence and continuation of an Event of Default, a list of all account debtors and contract parties in respect of each existing contract and account, and to use its best efforts to cause each of the account

debtors and contract parties to deliver to the Security Agent an Assignment Acknowledgement within 30 days of receipt of an Assignment Notice.

- (b) (i) The Security Provider authorizes the Security Agent, upon the occurrence and continuation of an Event of Default, in the Security Provider's name, to execute and deliver a Bailee Notice to each Bailee holding goods with a fair market value of more than USD 100,000 in the aggregate, and agrees to execute and deliver such Bailee Notice to each Bailee holding goods with a fair market value of more than USD 100,000 in the aggregate, if so requested by the Security Agent. The Security Provider must cause each Bailee that has received a Bailee Notice, to deliver to the Security Agent a Bailee Acknowledgement within 30 days of receipt of the Bailee Notice.
- (ii) If any Bailee fails to deliver a Bailee Acknowledgement within that period, the Security Provider must immediately take possession of all Collateral held by that Bailee.

3.6 Perfection - special steps for tangible chattel paper

- (a) The Security Provider must mark conspicuously each item of Collateral consisting of tangible chattel paper with a legend, in form and substance satisfactory to the Security Agent, indicating that it is the original and that it is subject to a security interest in favor of the Security Agent. Upon the occurrence of an Event of Default, subject to the Agreed Principles, the Security Provider must deliver to the Security Agent the originals of all tangible chattel paper.
- (b) The Security Provider agrees that it will permit no copies of tangible chattel paper which are not legended in accordance with paragraph (a) above to be marked "original" or "chattel paper" or with words of similar import. The Security Provider further agrees that it will permit no person other than the Security Provider to have possession of any tangible chattel paper.

3.7 Further assurances

- (a) Subject to the Agreed Principles, the Security Provider must take, at its own expense, promptly, and in any event within any applicable time limit, whatever action the Security Agent may reasonably require for:
 - (i) creating, attaching, perfecting and protecting, and maintaining the priority of, any security interest intended to be created by this Agreement;
 - (ii) facilitating the enforcement of this Security or the exercise of any right, power or discretion exercisable by the Security Agent or any of its delegates or sub-delegates in respect of any Collateral;
 - (iii) obtaining possession of any Possessory Collateral and control of any Collateral described in Clause 3.3 (Control); and
 - (iv) facilitating the assignment or transfer of any rights and/or obligations of the Security Agent or any other Secured Creditor under this Agreement.

This includes the execution and delivery of any transfer, assignment or other agreement or document, whether to the Security Agent or its nominee, which the Security Agent may reasonably request.

- (b) The Security Provider irrevocably constitutes and appoints the Security Agent, with full power of substitution, as the Security Provider's true and lawful attorney-in-fact, in the Security Provider's name or in the Security Agent's name or otherwise, and at the Security Provider's expense, to take any of the actions referred to in paragraph (a) above without notice to or the consent of the Security Provider. This power of attorney is a power coupled with an interest and cannot be revoked. The Security Provider ratifies and confirms all actions taken by the Security Agent or its agents under this power of attorney.

4. SURETYSHIP PROVISIONS

4.1 Nature of Security Provider's obligations

- (a) The Security Provider's obligations under this Agreement are independent of any obligation of the other Obligors or any other person.
- (b) To the extent permitted by law, a separate action or actions may be brought and prosecuted against the Security Provider under this Agreement.
- (c) To the extent permitted by law, the Security Agent may enforce its rights under this Agreement, whether or not any action is brought or prosecuted against the Obligors or any other person and whether or not the Obligors or any other person is joined in any action under this Agreement.

4.2 Waiver of defenses

- (a) Subject to the Agreed Principles, the obligations of the Security Provider under this Agreement will not be affected by, and the Security Provider irrevocably waives any defense it might have by virtue of, any act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Agreement (whether or not known to it or any Secured Creditor). This includes:
 - (i) any time, forbearance, extension or waiver granted to, or composition or compromise with, another person;
 - (ii) any taking, variation, compromise, exchange, renewal or release of, or any refusal or failure to perfect or enforce, any rights against, or security over assets of, any person;
 - (iii) any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realize the full value of any security;
 - (iv) any disability, incapacity or lack of powers, authority or legal personality of or dissolution or change in the members or status of any person;
 - (v) any amendment, restatement or novation (however fundamental) of a Secured Debt Finance Document or any other document, guaranty or security;
 - (vi) any unenforceability, illegality or invalidity of any obligation of any person under any Secured Debt Finance Document or any other document, guaranty or security, the intent of the parties being that the Security Agent's security interest in the Collateral and the Security Provider's obligations under this Agreement are to remain in full force and be construed accordingly, as if there were no unenforceability, illegality or invalidity;

- (vii) any avoidance, postponement, discharge, reduction, non-provability or other similar circumstance affecting any obligation of any Obligor under a Secured Debt Finance Document resulting from any bankruptcy, insolvency, receivership, liquidation or dissolution proceedings or from any law, regulation or order so that each such obligation is for the purposes of the Security Provider's obligations under this Agreement construed as if there were no such circumstance; or
 - (viii) the acceptance or taking of other guaranties or security for the Secured Liabilities, or the settlement, release or substitution of any guaranty or security or of any endorser, guarantor or other obligor in respect of the Secured Liabilities.
- (b) The Security Provider unconditionally and irrevocably waives:
- (i) diligence, presentment, demand for performance, notice of non-performance, protest, notice of protest, notice of dishonor, notice of the creation or incurring of new or additional indebtedness of the Obligors to the Security Agent or the other Secured Creditors, notice of acceptance of this Agreement, and notices of any other kind whatsoever;
 - (ii) the filing of any claim with any court in the event of a receivership, insolvency or bankruptcy;
 - (iii) the benefit of any statute of limitations affecting any Obligor's obligations under the Secured Debt Finance Documents or the Security Provider's obligations under this Agreement or the enforcement of this Agreement or the Security Agent's security interest in the Collateral; and
 - (iv) any offset or counterclaim or other right, defense, or claim based on, or in the nature of, any obligation now or later owed to the Security Provider by the Obligors, the Security Agent or any other Secured Creditor.
- (c) Following an Event of Default, the Security Provider irrevocably and unconditionally authorizes the Security Agent and the other Secured Creditors to take any action in respect of the Secured Liabilities or any collateral or guaranties securing them or any other action that might otherwise be deemed a legal or equitable discharge of a surety, without notice to or the consent of the Security Provider and irrespective of any change in the financial condition of any Obligor.

4.3 Immediate recourse

The Security Provider waives any right it may have of first requiring the Security Agent or any other Secured Creditor (or any trustee or agent on their behalf) to proceed against or enforce any other rights, security or other guaranty or claim payment from any person before claiming from the Security Provider under this Agreement and enforcing the Security Agent's security interest in the Collateral.

4.4 Appropriations

Until the expiry of the Security Period, the Security Agent and each other Secured Creditor (or any trustee or agent on their behalf) may:

- (a) refrain from applying or enforcing any other moneys, security, guaranties or rights held or received by the Security Agent or that other Secured Creditor (or any trustee or agent on their behalf) in respect of the Secured Liabilities;
- (b) when an Event of Default exists, apply and enforce them in such manner and order as it sees fit (whether against the Secured Liabilities or otherwise); and
- (c) when an Event of Default exists, hold in a suspense account any moneys received from any realization of the Collateral, from the Security Provider or on account of the Security Provider's liability under this Agreement or any other Secured Debt Finance Document, without liability to pay interest on those moneys.

4.5 Non-competition

Unless:

- (a) the Security Period has expired, or
- (b) the Security Agent otherwise directs in writing:

the Security Provider will not, after a claim has been made by the Security Agent or any other Secured Creditor against the Security Provider or any other Obligor, or by virtue of any payment or performance by the Security Provider under this Agreement:

- (i) be subrogated to any rights, security or moneys held, received or receivable by the Security Agent or any other Secured Creditor (or any trustee or agent on their behalf);
- (ii) be entitled to any right of contribution or indemnity in respect of any payment made or moneys received on account of the Security Provider's liability under this Agreement or any other Secured Debt Finance Document;
- (iii) claim, rank, prove or vote as a creditor of any Obligor or its estate in competition with the Security Agent or any other Secured Creditor (or any trustee or agent on their behalf); or
- (iv) receive, claim or have the benefit of any payment, distribution or security from or on account of any Obligor, or exercise any right of set-off as against any Obligor.

The Security Provider must hold in trust for and immediately pay or transfer to the Security Agent (or as directed by the Security Agent) for the Secured Creditors any payment or distribution or benefit of security received by it contrary to this Subclause or in accordance with any directions given by the Security Agent under this Subclause.

any right of subrogation, contribution or indemnity it may have against any Obligor as a result of any payment under that guaranty or in respect of the Secured Liabilities.

4.7 Election of remedies

- (a) The Security Provider understands that the exercise by the Security Agent and the other Secured Creditors of certain rights and remedies contained in the Secured Debt Finance Documents may affect or eliminate the Security Provider's right of subrogation and reimbursement against the Obligors and that the Security Provider may therefore incur a partially or totally non-reimbursable liability under this Agreement.
- (b) The Security Provider expressly authorizes the Security Agent and the other Secured Creditors to pursue their rights and remedies with respect to the Secured Liabilities in any order or fashion they deem appropriate, in their sole and absolute discretion.
- (c) The Security Provider waives any defense arising out of the absence, impairment, or loss of any or all rights of recourse, reimbursement, contribution, or subrogation or any other rights or remedies of the Security Provider against any Obligor, any other person or any security, whether resulting from any election of rights or remedies by the Security Agent or the other Secured Creditors, or otherwise.

- (b) Neither the Security Agent nor any other Secured Creditor will have any liabilities or obligations under any contractual obligation that constitutes part of the Collateral as a result of this Agreement, except to the extent that it succeeds to the obligations of the Security Provider under such contractual obligations following the exercise by the Security Agent of its rights under this Agreement or if otherwise expressly agrees in writing.

6.4 Notices

- (a) The Security Provider must give the Security Agent prompt notice of the occurrence of any of the following events:
 - (i) any pending or threatened claim, suit, legal action, arbitration or other proceeding involving or affecting the Security Provider or any Collateral that could reasonably be expected to impair the Security Agent's security interest in such Collateral or the Security Agent's rights under this Agreement or result in the imposition of a Lien on any Collateral;
 - (ii) any loss or damage to any material portion of the Collateral; or
 - (iii) any representation or warranty contained in this Agreement was untrue, incorrect or incomplete in any material respect when made.
- (b) Each notice delivered under this Clause, must include:

Delivery of a notice under this Clause does not affect the Security Provider's obligations to comply with any other term of this Agreement.

7. WHEN SECURITY BECOMES ENFORCEABLE

This Security may be enforced by the Security Agent at any time after an Event of Default has occurred.

8. ENFORCEMENT OF SECURITY

8.1 General

(a) After this Security has become enforceable, the Security Agent may immediately, in its absolute discretion, exercise any right under:

- (i) applicable law; or
- (ii) this Agreement,

to enforce all or any part of the Security in respect of any Collateral in any manner or order it sees fit.

(b) This includes:

- (i) any rights and remedies available to the Security Agent under applicable law and under the UCC (whether or not the UCC applies to the affected Collateral and regardless of whether or not the UCC is the law of the jurisdiction where the rights or remedies are asserted) as if those rights and remedies were set forth in this Agreement in full;
- (ii) transferring or assigning to, or registering in the name of, the Security Agent or its nominees any of the Collateral;
- (iii) exercising any consent and other rights relating to any Collateral;
- (iv) performing or complying with any contractual obligation that constitutes part of the Collateral;
- (v) receiving, endorsing, negotiating, executing and delivering or collecting upon any check, draft, note, acceptance, chattel paper, account, instrument, document, letter of credit, contract, agreement, receipt, release, bill of lading, invoice, endorsement, assignment, bill of sale, deed, security, share certificate, stock power, proxy, or instrument of conveyance or transfer constituting or relating to any Collateral;

- (vii) executing and delivering acquittances, receipts and releases in respect of Collateral; and
- (viii) exercising any other right or remedy available to the Security Agent under the other Secured Debt Finance Documents or any other agreement between the parties.

(a) If an Event of Default occurs and is continuing, the Security Provider must hold all funds and other property received or collected in respect of the Collateral in trust for the Security Agent,

and must keep these funds and this other property segregated from all other funds and property so as to be capable of identification.

- (b) The Security Provider must deliver those funds and that other property to the Security Agent in the identical form received, properly endorsed or assigned when required to enable the Security Agent to complete collection.
- (c) After the occurrence and during the continuation of an Event of Default, the Security Provider may not settle, compromise, adjust, discount or release any claim in respect of Collateral and must not accept any returns of merchandise other than in the ordinary course of business.

8.3 Security Agent's rights upon default

- (a) The Security Provider irrevocably constitutes and appoints the Security Agent, with full power of substitution, as the Security Provider's true and lawful attorney-in-fact, in the Security Provider's name or in the Security Agent's name or otherwise, and at the Security Provider's expense, to take any of the actions authorized by this Agreement or permitted under applicable law upon the occurrence and during the continuation of an Event of Default, without notice to or the consent of the Security Provider. This power of attorney is a power coupled with an interest and cannot be revoked. The Security Provider ratifies and confirms all actions taken by the Security Agent or its agents under this power of attorney.
- (b) The Security Provider agrees that 10 days notice shall constitute reasonable notice in connection with any sale, transfer or other disposition of Collateral.
- (c) The Security Agent may comply with any applicable state or federal law requirements in connection with a disposition of Collateral and compliance will not be considered adversely to affect the commercial reasonableness of any sale of Collateral.
- (d) The grant to the Security Agent under this Agreement of any right, power or remedy does not impose upon the Security Agent any duty to exercise that right, power or remedy. The Security Agent will have no obligation to take any steps to preserve any claim or other right against any person or with respect to any Collateral.
- (e) The Security Provider bears the risk of loss, damage, diminution in value, or destruction of the Collateral.
- (f) The Security Agent will have no responsibility for any act or omission of any courier, bailee, broker, bank, investment bank or any other person chosen by it with reasonable care.
- (g) The Security Agent makes no express or implied representations or warranties with respect to any Collateral or other property released to the Security Provider or its successors and assigns.
- (h) The Security Provider agrees that the Security Agent will have met its duty of care under applicable law if it holds, maintains and disposes of Collateral in the same manner that Société Générale and its successors as Security Agent hold, maintain and dispose of property in such capacity.
- (i) Except as set forth in this Clause or as required under applicable law, the Security Agent will have no duties or obligations under this Agreement or otherwise with respect to the Collateral.

- (j) The sale, transfer or other disposition under this Agreement of any right, title, or interest of the Security Provider in any item of Collateral will:
 - (i) operate to divest the Security Provider permanently and all persons claiming under or through the Security Provider of that right, title, or interest, and
 - (ii) be a perpetual bar, both at law and in equity, to any claims by the Security Provider or any person claiming under or through the Security Provider

with respect to that item of Collateral.

8.4 No marshaling

- (a) The Security Agent need not, and the Security Provider irrevocably waives and agrees that it will not invoke or assert any law requiring the Security Agent to:
 - (i) attempt to satisfy the Secured Liabilities by collecting them from any other person liable for them; or
 - (ii) marshal any security or guarantee securing payment or performance of the Secured Liabilities or any particular asset of the Security Provider.
- (b) The Security Agent may release, modify or waive any collateral or guarantee provided by any other person to secure any of the Secured Liabilities, without affecting the Security Agent's rights against the Security Provider.

10. EXPENSES AND INDEMNITY

 - (iii) costs of obtaining money damages; and
 - (iv) reasonable fees and expenses of attorneys employed by the Security Agent for any purpose related to this Agreement or the Secured Liabilities, including consultation, preparation and negotiation of any amendment or restructuring, drafting documents, sending notices or instituting, prosecuting or defending litigation or arbitration.

- (b) The Security Provider must indemnify and keep indemnified the Security Agent, the other Secured Creditors from and against all claims, liabilities, obligations, losses, damages, penalties, judgments, costs and expenses of any kind (including attorney's fees and expenses) which are imposed on, incurred by any of them (including any Secured Creditor) in any way relating to or arising out of this Agreement (including as a result of the enforcement of its rights hereunder) to the extent provided under the Senior Credit Agreement.
- (c) The Security Provider will not be liable to an indemnified party to the extent any liability results from that indemnified party's gross negligence or willful misconduct. Payment by an indemnified party will not be a condition precedent to the obligations of the Security Provider under this indemnity.
- (d) This Clause survives the initial Utilization Date, the making and repayment of the Loans, any novation, transfer or assignment of the Loans and the termination of this Agreement.

11. DELEGATION

11.1 Power of attorney
